EMOtional Support will provide:

- IEM RIG and a well labeled XLR pigtail to go FOH
- Drums, Guitars, Bass, laptop, pedals and all associated cabling to front of IEM case
- One Vocal mic (VOX C) Sennheiser E945 with XLR cable
- One lo-fi mic (trash audio), which uses an inline preamp and phantom power to boost the signal
- Acoustic Guitar (GTR C) is only used in certain sets and may not be required
- Laptop is used for synth for some songs
- Both guitars and bass are direct out from rack mounted amp modelers (helix and quad cortex)

Venue will provide:

- All drum mics (Snare, Kick, 1 rack tom, 1 floor tom, HH, and OH if desired) and cabling.
- if necessary, Emotional Support will take Kick, Snare and HH to IEM rig, and provide to FOH through IEM pigtail
- No wedge monitor is required, all monitoring will be in ears
- 3 Boom Mic Stands
