

EMOtional Support Stage Schematic Jul 2026

EMOtional Support will provide:

- IEM rig and a well labeled XLR pigtail for FOH
- Drums, Guitars, Bass, Laptop, Amp Modlers, and all associated cabling to IEM case
- 3 Wireless Vocal Mics (1 Shure Nexadyne 8/S and 2 Phenyx Pro PTI-2)
- 1 lo-fi mic (trash audio) which uses inline preamp and phantom power
- Acoustic Guitar (C) and Keys are only used for some sets
- All guitars/Bass are direct out from rack mounted amp modlers
- Lights/fog are 1800 watt fog machines with built in lights

Venue will provide:

- All drum mics (snare, kick, 1 floor, 1 rack tom, HH, and OH if desired) and cabling
- if necessary, EMOtional Support will take kick, snare into IEM rig
- no stage monitor required, all monitoring will be in ears
